Profile: I am a highly skilled, experienced, qualified and motivated Graphic Designer/Photographer and Retoucher looking to advance my career and utilise my design ability in a challenging and dynamic role. I am a fast learner and focused worker who always brings energy and creativity to my life and work. I pride myself in a job well done and look forward to the opportunity to prove my capabilities.

JustinMitchellOnline
[Graphic Designer/Photographer/Retoucher]

Professional Experience:

2005-2009

Job Title: Graphic Design/Retoucher/Scanner Operator

Company: Yellow Pages Group

Duties:

- Designing Advertisements
- Scanning images and logos for print media both directory and magazine
- Colour correcting images and logos for print
- Retouching of images for print and web

Above and beyond the duties of my role I contributed to the Art Studio Team by:

- Taking on the more difficult scans and photoshop jobs including advanced airbrushing.
- I frequently help fellow team members with design and technical computer problems.
- I was appointed the role and responsibility of maintaining the studios art library catalogue.
- Because of my skills and knowledge I was chosen to set up initial training and, ongoing support for the studio regarding scanning and photoshop skills.
- I was selected to represent the department in testing the new Production Management System.
